Celebrity Look-Alike Sperm Available

LOS ANGELES (Wireless Flash - FlashNews) – If you can't get pregnant by an actual celebrity, you can always opt for look- alike sperm.

Los Angeles-based sperm bank California Cryogenics helps women get impregnated by men that resemble celebrities with their Donor Look-A-Likes program.

The sperm bank has the sperm of 500 doppelgangers of famous faces available, including look -alikes of **Jon Gosselin, Joey Fatone, Adam Carolla,** and the most popular choice, **Ben Affleck.**

Spokesperson Scott Brown says the process of compiling the look-alikes was tough, and ended in lots of "knock down, drag out arguments."

He explains, "We want to ensure that our clients get the most accurate idea of who their donor looks like, since they can't meet them. It was six months of intense arguing because everybody in the room has to agree to some extent on the look-alike."

As a result, ladies can now give birth to a mini superstar.
